Dear Ms. Hurd:

The committee was largely inactive during this period regarding federal activity, consisting of two contributions and six checks issued. The minimal bookkeeping and reporting services were provided by volunteers, on their own time (as was also the case when the committee was more active).

Any administrative costs incurred fall below the cited thresholds (under \$500.00 and under 60 days outstanding). There is no connected organization.

I trust this answers your questions satisfactorily.

Sincerely yours,

Terry Hugunin  
Treasurer
